Brush and Leaf Pickup Service

The City of Baldwin provides all residents with brush and leaf pickup services the first Monday of each month. Inclement weather or high number of service requests may result in pickup delays, however, all pickup requests will be completed by the Friday following the first Monday of the month.

Brush, tree trimmings, and leaves must meet the following criteria to be eligible for pickup.

- Brush and tree trimmings must be:
 - Limited to (1) load (3ft wide x 3ft high x 6ft long)
 - Three (3) inches or less in diameter.
 - Placed at the street curb by 8:00 AM on the first Monday of the month.
 - All leaves and vines must be securely bagged.

If your brush/tree trimmings exceed the above load dimensions, pickup will be provided at **cost**. Please contact the Public Works Director at 678-410-6183 for more information and cost estimate.

Please call Utility Billing at Baldwin City Hall at (706) 778-6341 to be placed on the Brush Chipping List for the month.

For any additional questions, please see the
Tree Trimming Ordinance below or call Utility Billing at City Hall.
