

Pool Filling Policy
City of Baldwin Accounts Receivable
P.O. Box 247
186 Hwy 441 Bypass, Baldwin, GA 30511

Effective Date: 01/01/2019

Policy Description:

Filling from garden hose:

Any resident inside the city limits can receive a one-time pool filling adjustment on their water bill per calendar year. You must fill out the request form to receive the adjustment. Your adjustment will be calculated based on an average bill (6 month average) and the difference will be adjusted off the "sewer" portion of your bill.

Any water customer outside of the city limits can receive a one-time pool filling adjustment on their water bill per calendar year. You must fill out the request form to receive the adjustment. Your adjustment will be calculated based on an average bill (6 month average) and the remainder will be sold to you at the inside city rates.

Filling from a fire hydrant:

Any resident who is near a fire hydrant can request to have their pool filled from that hydrant. The cost is \$10 per 1,000 gallons used. Please request this service from city hall by calling (706) 778 - 6341 or by coming to the office.

You can determine how much water you will need to fill your pool by using this link:
