

2024 Sponsorship Information
City of Baldwin, Georgia
186 Highway 441 Bypass, Baldwin, GA 30511

Dear Community Members,

We welcome and invite you to join the City of Baldwin in our upcoming events for 2024! We have exciting plans to improve and grow our community, and we need your help to succeed. We encourage all citizens to participate in any way they can – be that monetary donation, volunteering at events, or joining our Events Committee!

At the City of Baldwin, ALL our events are free to the public, allowing our citizens to bring their family and engage with their community without worrying about cost. When you purchase a sponsorship, your generous donation provides seven FREE and fun events for our citizens and celebrate what makes Baldwin great: its people. Please consider contributing to our 2024 events and help us continue to grow our community and beautify our city. All sponsorship information can also be found on our website www.cityofbaldwin.org/services.

Please contact us for additional information or to discuss further volunteer opportunities. We look forward to working with you!

Emily Woodmaster, Chief Administrative Officer
